VERIFIED STATEMENT CLAIMING SMALL ENTITY STATUS
(37 CFR 1.9 (f) AND 1.27(c)) - SMALL BUSINESS CONCERN

I, Roy J. Weaver hereby declare that I am president of Emissions Panther, Inc., a Texas Corporation having an address at P. O. Box 9075, Corpus Christi, Texas 78469 and am empowered to act on behalf of the corporation.

I hereby declare that Emissions Panther, Inc. qualifies as a small business concern as defined in 13 CFR 121.3-18, and reproduced in 37 CFR 1.9(d), for purposes of paying reduced fees under section 41(a) and (b) of Title 35, United States Code, in that the number of employees of the concern, including those of its affiliates, does not exceed 500 persons. For purposes of this statement, (1) the number of employees of the business concern is the average over the previous fiscal year of the concern of the persons employed on a full time, part time or temporary basis during each of the pay periods of the fiscal year, and (2) concerns are affiliates of each other when either, directly or indirectly, one concern controls or has the power to control the other, or a third party or parties controls or has the power to control both.

I hereby declare that rights under contract or law have been conveyed to and remain with Emissions Panther, Inc. with regard to the invention, entitled WATER AND FUEL CONDITIONER AND TECHNIQUE FOR ELIMINATING SCALE by inventors Roy J. Weaver and Robert O. Crane described in the application filed herewith.

If the rights held by Emissions Panther, Inc. are not exclusive, each individual, concern or organization having rights to the invention is listed below and no rights to the invention are held by any person, other than the inventor, who could not qualify as a small business concern under 37 CFR 1.9 (d) or by any concern which would not qualify as a small business concern under 37 CFR 1.9(d) or a nonprofit organization under 37 CFR 1.9(e).

NONE

I acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. (37 CFR 1.28(b))

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

VERIFIED STATEMENT CLAIMING SMALL ENTITY STATUS
37 CFR 1.9(f) AND 1.27(b) - INDEPENDENT INVENTOR

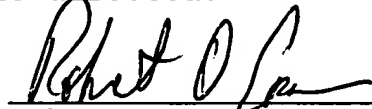

We, Roy J. Weaver and Robert O. Crane, hereby declare that we qualify as independent inventors as defined in 37 CFR 1.9(c) for purposes of paying reduced fees under section 41.(a) and (b) of Title 35, United States Code, to the Patent and Trademark Office with regard to the invention entitled WATER AND FUEL CONDITIONER AND TECHNIQUE FOR ELIMINATING SCALE described in the specification filed herewith. We have not assigned, granted, conveyed or licensed and are under no obligation under contract or law to assign, grant, convey or license, any rights in the invention to any person who could not be classified as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern under 37 CFR 1.9 (d) or a nonprofit organization under 37 CFR 1.9 (e).

We have not assigned, granted, conveyed or licensed or am under an obligation under contract or law to assign, grant, convey, or license any rights in the invention, except that an implied license to use the invention has been granted to Emissions Panther, Inc.

We acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. (37 CFR 1.28 (b))

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
